GiveLight Foundation 10th Anniversary Gala

Saturday, November 21st, 2015, 5pm - 9pm

San Jose Convention Center, Mission City Ballroom, San Jose, CA

VISION STATEMENT

GiveLight is a world-recognized crisis relief organization that seeks to build permanent homes and provide long term education for global orphans.

The orphaned children of the world are the little stars of GiveLight's universe. They are the heart and soul of everything we do at GiveLight. They are like the little stars that adorn the night sky making it beautiful and inspiring for us to gaze at.

Established in January 2005, after the devastating 2004 Tsunami, GiveLight supported 50 children in Indonesia in its first year. Fast forward ten years later, today GiveLight is supporting more than 800 children in ten countries around the world, including Pakistan, Haiti, Somalia, Bangladesh, Sri Lanka, Afghanistan, Cambodia and the Bay Area. Future plans include expansion in Morocco and additional new homes in Sri Lanka and Bangladesh.

EVENT DETAILS

The Gala will be held in San Jose with an expected attendance of 1000 generous and accomplished individuals, which include longtime supporters and new ones. All corporate sponsors have the opportunity to provide their corporate logo to be included in the event program. Sponsorships will be recognized in the program, as well as on the GiveLight website. The program includes children's performances, a live and silent auction, donor testimonials, a keynote address by founder Dian Alyan, as well as speeches from Silicon Valley Executives.
